Public Presentations - This portion of the meeting is reserved for persons wishing to address the FCRTA Board on items within its jurisdiction but not on this Agenda.

NOTE: The public may also comment on any Agenda item, as they are presented, prior to action by the FCRTA Board.

2. **CONSENT ITEMS**A. **Approve Executive Minutes of March 28, 2019 (Attachment)**

A motion was made by Mayor Lopez (Orange Cove) and second by Supervisor Quintero (Fresno County). A vote was called and motion carried.

B. **Long Range Transit Plan (LCTP) [ACCEPT]**

Item was pulled and Kristine Cai from Fresno COG gave the board a brief update. Kristine informed the board that over 2 years ago Fresno COG received a planning grant from Caltrans to do a Regional Long Range Transit Plan and the goal was to develop an overall plan to provide a vision for the public transportation system in this county and provide investment guidance for our future transit system. Working with FCRTA, Fresno Area Express and Clovis Transit, staff developed this plan that lays out a path for safe, affordable, integrated and sustainable transit system for Fresno County. This vision and the strategies and

projects identified in this plan will also provide critical input to our upcoming regional transportation plan and sustainable community strategies.

I would like to congratulate to all on FCRTA's 40<sup>th</sup> anniversary. FCRTA has done a tremendous and wonderful job serving our rural communities.

A motion was made by Mayor Lopez (Orange Cove) and second by Mayor Robertson (Selma). A vote was called and motion carried.

### **3. ACTION ITEMS**

#### **A. Acquisition of Land in the City of Selma for Maintenance Facility [APPROVE]**

Moses informed the board that they are in pursuit of purchasing the remaining parcels at this location with this additional acquisition of land, it brings us closer to where we want to be ultimately. This agreement (Nelson parcel) was brought before you last month however, it's been back and forth between legal counsels. Our legal counsel has been involved with the terms and the price has not changed.

A motion was made by Mayor Lopez (Orange Cove) and second by Mayor Robertson (Selma). A vote was called and motion carried.

#### **B. Acquisition of Additional Parcel in the City of Selma for Maintenance Facility [APPROVE]**

Staff is recommending Board approval of the purchase agreement and initial environmental study for the additional parcel of 2.38 acres in the City of Selma for the maintenance facility, vehicle fleet, CHG fueling station, EV charging area and vocational training center.

A motion was made by Mayor Robertson (Selma) and second by Mayor Quintero (Fresno County). A vote was called and motion carried.

#### **C. PUBLIC HEARING – Del Rey Transit Schedule and Fare Change [APPROVE]**

Staff informed the board that he has presented this item to them in the last few meetings and believe it would be a great opportunity to expand service in the community of Del Rey. We have worked in collaboration with the California Rural Legal Assistance (CRLA) representative and the residents and to provide a demonstration project for 3 months to see if it is sustainable.

The second part to that is we have discussed with residents and they are good with raising the fares from .35 cents to .50 cents for general public, disabled and elderly ride for free as always and we would also increase the fares for inter-city (Del Rey to Sanger) from .75 to \$1.00. For the inter-city we cannot let seniors ride for free due to the PUC regulations that prohibit this.

A motion was made by Mayor Yep (Kerman) and second by Mayor Lopez (Orange Cove). A vote was called and motion carried.

### **4. OTHER BUSINESS**

#### **A. Items from Staff**

Moses mentions that Janelle would be presenting a couple things and continue to commemorate FCRTA on its 40<sup>th</sup> anniversary.

Moses also mentioned that funding sources look at FCRTA to deliver projects within each of the communities.

Projects that have been completed:

City of Kingsburg – A fast filled CNG unit

The other three (3) CNG units that have been delivered are:

- City of Mendota
- City of Firebaugh

## **Low-No Emission Program**

### **Project Title**

#### **Fresno County Rural Transit Agency Zero Emission Bus Efficiency Project**

### **Project Executive Summary**

Fresno County Rural Transit Agency is requesting Board approval to submit the Fresno County Rural Transit Agency Zero Emission Bus Efficiency Project (ZEBEP) for funding through the 2019 Federal Transit Administration Low or No Emission Grant Program. The project will replace three (3) 2008 model GLAVAL CNG-powered transit buses with BYD K-7 battery-electric, 30-foot transit buses to provide improved service in three (3) rural Fresno County cities. The new buses are more efficient reducing costs for the transit agency and zero emission to reduce health impacts for riders. The project is requesting \$1,616,600 in FTA funding and providing \$510,000 in State and local match funding. Match funding is broken down as \$405,000 from the State HVIP incentive program, and \$105,000 from local Measure C funding.

### **Project Statement of Work**

Fresno County Rural Transit Agency will deploy three (3) BYD K-7 battery electric transit buses including chargers and computerized bus management system in the cities of San Joaquin, Mendota, and Selma to operate on inter-city and intra-city routes connecting residents with essential services in Fresno County. The BYD K-7 buses have a published range of 185 miles on a charge. The buses and sites will be equipped with a charger and Wi-Fi bus management system that will allow remote control of the charging operations for the buses so that FCRTA maintenance can time charging of the units to take advantage of the lowest electricity costs each day and not impact the local grid or municipal storage yard. The project will take about 12 months to complete once FTA awards funding for the proposal.
